Granfondo Strade Bianche

Timeless charm

There is one day each year when thousands of cyclists from all over the world gather in the heart of Tuscany to enjoy a unique experience. It is the Granfondo Strade Bianche, an event that truly celebrates cycling in its purest form.

The dirt roads of the province of Siena offer experiences that are hard to describe. The dust that rises as cyclists pass by, the contrast between the white of the ground and the green of the hills, the constant ups and downs, and the breathtaking views all come together to create a unique landscape.

Sunday, March 7

The excitement becomes reality: the dream of the Granfondo.

Ahead of you lie the legendary dirt roads, leading all the way to the most coveted finish line: the magnificent Piazza del Campo, where you'll experience the thrill of being the star of the show for a day. Those who aren't cycling will spend the day exploring Siena, strolling through its medieval streets and letting themselves be captivated by the city's charm.

In the evening, we'll all gather for a special Gala Dinner—the perfect way to toast our achievement, share the day's excitement, and bring a truly unforgettable experience to a close together.
